

Confidentiality & Data Protection Policy

1. General principles

- 1.1 Knutsford Community First Responder Trust (KCFRT) recognises that KCFRT colleagues (volunteers and trustees) gain information about individuals and organisations during the course of their work or activities. In most cases such information will not be stated as confidential and colleagues must exercise common sense and discretion in identifying whether this information should be communicated to others. Information given in confidence must not be disclosed without consent unless there is a justifiable reason e.g. a requirement of law or there is an overriding public interest to do so.
- 1.2 Confidential information includes anything that contains the means to identify a person, e.g. name, address, post code, as defined by the Data Protection Act. It also includes information about organisations such as confidential business plans, financial information, contracts, trade secrets and procurement information.
- 1.3 The NWS Confidentiality Policy governs information disclosed to Community First Responders (CFR's) when attending 999 calls and can be found in Section 19 of the NWS MOU with CFR's 11.11.15. (Please ask the Knutsford First Responder Team Leader if you would like a copy of this document).
